list to correspond with a new network environment detected by a computing system. Instead, as mentioned above, Goodman generally suggests that settings are maintained and migrated to a new system, not changed in the manner claimed. Although the remaining dependent claims have not specifically been addressed herein, Applicants respectfully traverse the rejections to those claims for at least the foregoing reasons.

In the event that the Examiner finds remaining impediment to a prompt allowance of this application that may be clarified through a telephone interview, the Examiner is requested to contact the undersigned attorney.

Dated this 14 day of December, 2005.

Respectfully submitted,
